To Whom It May Concern:

NaturaLife Corporation wishes to notify the Food and Drug Administration that it has, within the past 30 days, commenced marketing a dietary supplement which bears a statement under Section 403(r)(6) of the Federal Food, Drug and Cosmetic Act.

The dietary supplement for which the statement is made is Flex-Aid. The dietary ingredient that is the subject of the statement is Glucosamine HCL. The statement reads as follows:

"Scientific studies show that glucosamine promotes healthy joints by lubricating and nourishing damaged tissue and cartilage."

This statement is accompanied by the required disclaimer which is prominently displayed in bold-faced type.

The information contained in this notice is complete and accurate and the above statement is based on data which renders these statements substantiated, truthful and non-misleading.

Sincerely,

NATURALIFE CORPORATION
